CINEMATE® SERIES II CINEMATE® GS SERIES II ©2009 Bose Corporation, The Mountain, Framingham, MA 01701-9168 USA AM323023 Rev.00 CINE MATE® SERIES II and CINEMATE® GS SERIES II Owner’s Guide

2 Finding the right device codes

Using the right device codes, you can set up your new universal remote to control the video devices you want to use with your speaker system.

The CineMate® GS Series II digital home theater speaker system brings Bose® performance to your HDTV – with two premium Gemstone® speaker arrays and a hideaway Acoustimass® module for deeper lows. Easily connects directly to your TV. Includes a universal remote. Full Description (max 500 words) for web product pages, etc.

This project was to create a robust, quantitative, and repeatable testing procedure from which Bose can accurately qualify their IR products. To do this, the team looked at the current Bose technology, specifically the CineMate universal remote and CineMate 520 console, and analyzed the existing testing and calibration procedure.
