These days with the advent of MW’s Free Scheduled Maintenance, BMW will replace your brakes, change your oil, and take care of your car until the New Vehicle Limited Warranty expires. Due to this change in how BMW handles maintenance, the recommended maintenance schedule by BMW has also changed. Many fluids have become

Unlocking “Deadlocked” BMWs By Steve Young In North America you’ll only find BMW and Land Rover vehicles equipped with deadlock systems, but they are very common One of the reasons for that are the stringent anti-theft laws that have been enacted for new vehicles in Europe over the past decade. I suspect that another reason

*The published fuel consumption and CO2 emission figures are established according to legislated technical specifications (UNECE Regulation 101/UN Regulation 83 and SANS 20101 standards), which sets out the procedures that are used to measure the CO2 emissions and fuel consumption. The claimed figures are established using specific tests under standardised, carefully controlled conditions
